Benefits

1. Strong nestable container plastic pallet
2. Designed with rectangular blocks for optimum use with heavy loads
3. The open deck allows the ventilation of the load
4. Maximum use of load space on deck
5. Optimized for transport in ISO freight
6. Reusable pallet made of recycled plastic and 100% recyclable

Options

1. Without safety rims
2. RFID transponders and other IoT options
3. Specific colours on request
4. Individual marking and labelling
