Benefits

- H1 pallet produced in recycled material for non-food contact applications
- Exact H1 dimensions with all top deck H1 features (central retainers)
- Robust and impact-resistant pallet with good performance in high racking
- Fully closed runners, ideal for use in automated conveyor systems
- Compatible with E1 to E4 euro plastic crates (400 x 600 mm)
- Smooth surfaces, ensuring the safety of the workforce and the protection of goods
- Reusable pallet made of recycled plastic and 100% recyclable

Options

- Safety rims
- Open Central box retainers
- Ribs for nestable crates
- RFID transponders and other IoT options
- Specific colors on request
- Individual marking and labeling
- Also available with standard H1 rims
- Also available made out of food-grade PE
