

Nest E3.2

1200 x 800

Nestable euro-size plastic pallet with closed deck

This light-weight pallet with the dimensions 1200 × 800 is made from recycled HDPE. When nested, it achieves optimal volume reduction – and in this way, it saves space and transport costs, and spares the environment additional CO₂ emissions. Its closed upper deck prevents the product from getting dirty or damaged from below.

Bottom support

> 9 feet (9F)

Deck options

> closed deck (CD)

Nestable pallets take up less storage space.

Thanks to the spacing, a forklift can be used to unstack the pallets.

Technical data*1

	Bottom support	Top deck	Dimensions [mm]	Load capacities*2 [kg]			Weight [kg]		Pallets per	
				Static	Dynamic	Racking	HDPE	PO	Stack	Truck

ESD prevention: —

*1 Figures can vary depending on the raw material used and options applied. *2 Guideline values are based both on experience and parts of test ISO 8611, which tests with evenly distributed loads at room temperature (20°C). Varying data may result from different conditions of usage. Your specific requirements can be identified upon request. *3 Minimum quantity required - PO pallets should only be used and stored in a dry environment. We reserve the right to change any of the stated information without prior notice.
