

Nest E5

1200 x 800

Nestable euro-size plastic pallet for medium loads

This robust load carrier is the universal Euro-size pallet for medium loads. It comes in two versions. In the 9-foot nestable version, it saves floor space and transport costs. The version with 3 runners can be used with conveyor technology and bears up to 500 kg in high racks.

Bottom support

> 9 feet (9F)

> 3 runners (3R)

Deck options

> open deck (OD)

Available as ESD pallet ...

... for transport of electrostatic-sensitive devices.

Nestable CPP plastic pallets require less floor space.

Technical data*1

	Bottom support	Top deck	Dimensions [mm]	Load capacities*2 [kg]			Weight [kg]		Pallets per	
				Static	Dynamic	Racking	HDPE	PO	Stack	Truck

*1 Figures can vary depending on the raw material used and options applied. *2 Guideline values are based both on experience and parts of test ISO 8611, which tests with evenly distributed loads at room temperature (20°C). Varying data may result from different conditions of usage. Your specific requirements can be identified upon request. *3 Minimum quantity required - PO pallets should only be used and stored in a dry environment. We reserve the right to change any of the stated information without prior notice.
