

# Nest i3

1200 x 1000

**Nestable industrial-size plastic pallet with closed deck for light loads**

The Nest i3 is a nestable 1200 x 1000 pallet, made of recycled HDPE. Featuring excellent mechanical performance, low weight and recyclability, this pallet offers an environmentally and economically sound alternative to conventional wooden pallets.

**Bottom support**

> 9 feet (9F)

**Deck options**

> closed deck (CD)

The special fenders ensure a long service life.

Recessed zones on short and long sides for the attachment of strapping strips.

Optimum and safe stacking. Ergonomic and easy to unstack.

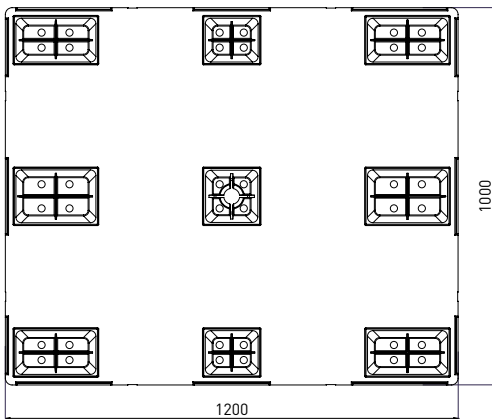

Interspace provided facilitates unstacking by fork-lift truck.

nominal sizes in mm

## Options

- Color:  (other colors on request\*3) > Individual marking\*3
- Anti-slip: safety rim (standard) > RFID transponders
- ESD prevention: anti-static

\*1 Figures can vary depending on the raw material used and options applied. \*2 Guideline values are based both on experience and parts of test ISO 8611, which tests with evenly distributed loads at room temperature (20°C). Varying data may result from different conditions of usage. Your specific requirements can be identified upon request. \*3 Minimum quantity required - PO pallets should only be used and stored in a dry environment. We reserve the right to change any of the stated information without prior notice.
