Benefits

1. Nestable pallet in euro-size
2. High nestability ratio
3. Extremely lightweight and low height
4. Ideal for air freight low weight with its saved space during nesting and storage
5. Easy and safe to handle
6. Sustainable production: 100% recycled plastic version available, completely recyclable at the end of its life
7. Reusable pallet made of recycled plastic and 100% recyclable

Options

1. Specific colors on request
2. Individual marking and labeling
3. Further bottom version: 3 runners
