Benefits

1. Nestable plastic pallet in euro-size
2. High nestability ratio with optimal volume reduction and therefore saved space and energy for storage and return logistic
3. Designed with a closed deck, preventing the product from getting dirty or damaged from below
4. Equipped with two safety rims (outer and inner rim) to maximize load safety
5. Reusable pallet made of recycled plastic and 100% recyclable

Options

1. Specific colors on request
2. Individual marking and labeling
